## 全球中文培训品牌 Global Chinese Training Brand

We are the true Mandarin Education practitioners! Mandarin Garden Education is not just a professional institute specializing in Mandarin teaching. We are also a leading platform for Chinese culture training and a key provider of Mandarin professionals. Our flagship institutions include "Mandarin Garden" and "Ruhong Academy". We are the only comprehensive and integrated educational group in China and we only focus on building a global franchise specializing in teaching Mandarin as a foreign language, facilitating cultural exchange and conducting Chinese culture related coaching, providing global Mandarin teacher training, international cross culture networking and the export of bilingual Mandarin professionals all over the world. Mandarin Garden Education has three centers in Shanghai, and it directly manages five regional centers in Wuxi, Ningbo, Wuhan, Changchun and Lijiang in Yunan, hence altogether eight centers all over China. Outside China (London, Tokyo, Washington, Vancouver, Sydney, Bangkok, Spain), we have international centers which provide Mandarin teachers and cross culture talents, recruitment centers for international students learning Mandarin in China, joint-venture teaching centers, and more.

"Mandarin Garden" is one of the largest institutions specializing in teaching Mandarin as a foreign language in Shanghai and even in the rest of China. We have been teaching universal Mandarin for more than eight years in a very Chinese and unique school environment. Our students are totally immersed in the ocean of Chinese language and culture. We have been conducting Mandarin lessons for over 100 internationally renowned foreign companies and we have taught more than 6000 expatriate students. We have been rated as the most preferred Mandarin school by our expatriate students and the ratings as well as our teaching methodology and special learning features have been published by leading journals like That's Shanghai, City Week, ICS Shanghai English Channel, News and China Daily. We have successfully provided over 2,000 of our best Chinese language teachers to various educational institutions all over the world. We are the only professional Mandarin learning institution which has the core ability to teach at all levels and provides all types of Mandarin programs available.

## 教師團隊 Our Teachers

High quality teachers with rich experience in teaching Mandarin as a foreign language and Chinese culture.

We have a strict selection and training process. Each Mandarin teacher must take part in a 200-hour training program before he or she can conduct Mandarin lessons. To ensure teaching quality, each Mandarin teacher will receive on the job coaching and weekly evaluation. At Mandarin Garden, the most professional standard is guaranteed.

Our teachers are professional Mandarin teachers, graduates in language studies, or with overseas education exposures. Each Mandarin teacher dispatched by Mandarin Garden holds the Mandarin Teaching Qualification Certificate which is internationally certified according to IPA and CETTIC international standards.

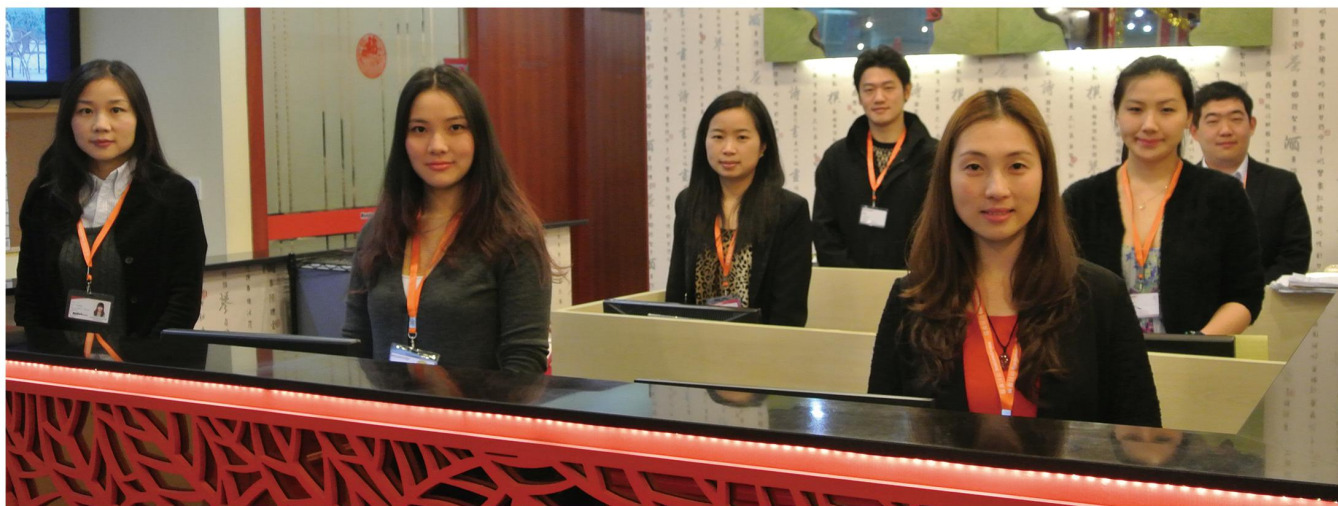

We are well versed with international teaching skills and methodology. Our professional teaching team at Mandarin Garden is in the position to create teaching theory and design teaching skills and technology. Through our "role-play", "game and practice", "language pointers and substitution exercise", "memory practice", and our highly effective teaching material and various teaching tools, we are gaining praises and recognition our process and results of Mandarin teaching from our clients and students.

Our teachers can provide tailor-made teaching programs according to our students' needs and interests. We also provide regular term tests, professional evaluations and study reports.
